

BananaCone

Safety at a glance

Hello!

"Excuse me, but I don't suppose you'd be interested in reducing slip accidents would you?"

OK, well, um... we've got a bit of news for you then.
This way...

BananaCone

Safety at a glance

Add some fun!

"Fun is a tricky element to bring to our Health and Safety programmes isn't it? But by spreading Banana Cones around your site, it really happens!"

"Oh yes, and the public love them too!"

900mm high

Available in 2 sizes for every application.

600mm high

BananaCone

Safety at a glance

Ahem, banana...

“Yes, people actually notice the Banana Cones, rather than just kicking or knocking them over. Have you noticed how the old ones have now become a bit of a hazard?”

“Oh whoops, weren’t they designed to be seen?”

Strong, removable stems. Same size for both large and small cones.

Smooth surface - easy to clean!
