Mini Scrubber

Is this the world's most versatile scrubber dryer?

Read on...

-  Li-ion cordless or mains
-  For hard floors & carpet
-  Easy & simple controls
-  Highly manoeuvrable

See inside for many applications and benefits.

Put it to work on:

Hard Floors

The iVo Scrubber is excellent on every type of hard floor.

With stone, vinyl, timber, non-slip and resin bound flooring types, you will get very quick and impressive results.

With 8 different attachment types, the Mini Scrubber can tackle anything!

Quick Feature Guide

- Cleaning width 350mm
- Front edge height 150mm
- Coverage of 500sq m/hr
- Dries backwards and forwards
- Brush speed 550rpm
- Brush pressure 15kg
- Battery powered version
 - Battery runtime 1 hr
 - Battery charge time 2.2 hr
- Mains powered version
 - 3 hard floor brush grades
 - 4 hard floor pad grades
 - Carpet brushes
 - Microfibre pads

Mini Scrubber

Also designed for:

 **Carpets**

The iVo Scrubber is excellent on carpeted areas, including very low pile commercial carpets.

The rotary brush action does a fantastic job of cleaning out the dirt and debris, with the vacuum then taking it all out of the way.

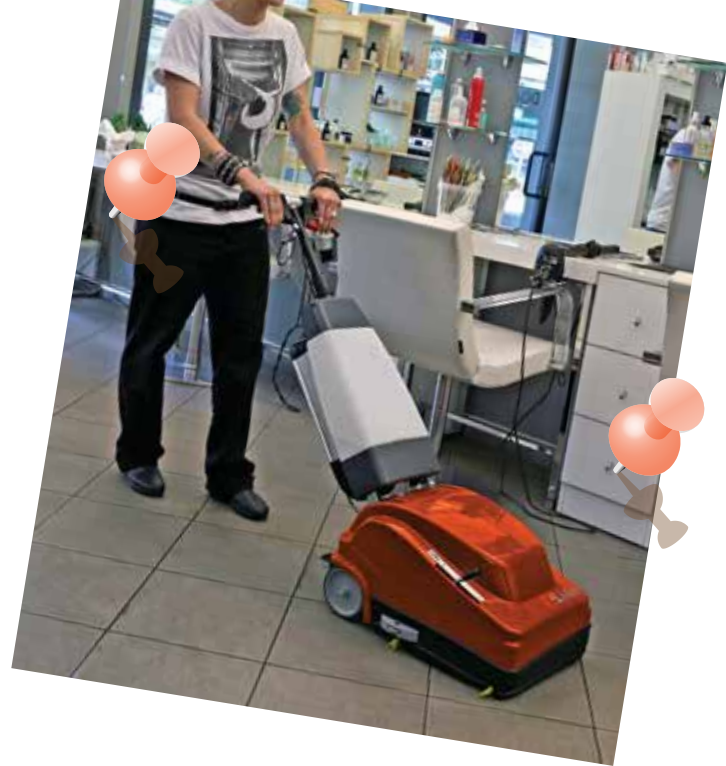

With a special roller vacuum bar and unique soft carpet brushes, the Mini Scrubber is fully equipped to tackle your small area carpet cleaning needs.

Made in Europe

Unique for:

-  Simple and robust design spec.
-  Fast 550rpm brush rotation
-  Works on both carpet & hard floors
-  Easily Transportable

Mini Scrubber Features

-  **Li-ion Battery or Mains Powered**
Advanced Li-Ion battery technology gives 45 minutes of continuous runtime and complete freedom, or the mains powered version is available for smaller budgets.
 -  **Light and Compact for Transporting**
At only 18 kg for the mains, or 21kg for the battery model, the iVo is easily lifted into any vehicle for transport between sites.
 -  **Adjustable squeegees**
The squeegees can be lifted and lowered as required to bring greater flexibility when drying and polishing. Adjustment levers are close to hand during operation.
 -  **Removable Clean & Waste Water Containers**
 -  **Anti Splash Guards**
 -  **Delivers 15kg Brush Pressure**
- and much more...
